

A painting of a coastal city at sunset. In the foreground, a large sailboat with its sails down is moored near the viewer. The middle ground shows a harbor filled with small boats and a long, multi-story building with arches along its waterfront. In the background, a dense city skyline rises up a hill, featuring numerous buildings with red roofs and several prominent towers and domes. The sky is filled with dramatic, colorful clouds in shades of orange, yellow, and blue.
